Registration Form

Name: ____________________________
Designation: ______________________
Gender: ____________________________
Organization: ______________________
Department: ________________________
Address for correspondence: __________
PIN: ____________________________ Contact No: __________
E-mail: ____________________________

Highest Academic Qualification:
category: Industry/ Faculty/ Student
Level: 1/ 2/ 3rd
Fees:
1) RGI Student: Free
2) NON-RGI Student: Rs. 200/-

Details of Payment:
DD No.: __________________ Date: __________
Amount: __________ Bank: __________________

DD: In favour of “G H Raisoni College of Engineering and Management”. Note: Additional fees of Rs. 500/- shall have to be paid for the selected quality paper to be included in International Journal of Science & Research (IJSR). (Impact Factor: 6.393 & ISSN12319-7064)

Kindly register me for TRPCS-2K17 to be held at G H Raisoni College of Engineering & Management, Amravati, Scheduled on 23rd MARCH 2017.

**About College**

GHRCEM, Amravati is a member of Raison Group of Institutions (RGI) Nagpur, imparting quality education of great standards in areas like Engineering and Management. G H Raisoni College of Engineering and Management (GHRCEM) is housed in fast upcoming beautiful technical education campus with round the clock internet facilities (Wi-Fi), well equipped library, excellent laboratory facilities and highly qualified team of faculty members. This institute is affiliated to the SGB Amravati University, Amravati. The primary objective of institute is to groom every student to become a future leader in the fields of Engineering and Technology.

Apart from academic activities, the college regularly organizes activities like paper presentation, project competition, educational tours, resource lectures etc.

**About Department**

Department of Electrical Engineering aims to provide quality education at UG & PG with well qualified team of faculties supported by well developed infrastructure. Department always strives to fill the gap between industrial demand and academics, which made us to organize industry visit , excellent placement in industry/company, several gap bridging courses as well as guest lectures by personalities from different domains. Department offers one UG program in Electrical Engineering and One PG program in Electrical Power System.

**About TRPCS-2K17**

RGI–TRPCS-2K17, an annual event for students for paper presentation competition, is aimed to impart and share the knowledge of research and development works. The aim of RGI TRPCS-2K17 is to explore and understand various perspectives and innovative ideas in order to get a broad insight into different aspects of knowledge. It is a platform for curious minds to show their creativity.

**Who can participate?**

All Students studying in [SE/TE/BE/ME/M. Tech/Ph.D.] in branch of Electrical Engineering from various Institutions.

Competition will be conducted at different levels and in two groups

1. Raisoni Group of Institutions
2. Non Raisoni Group of Institutions

The categories in these two groups are as follows:

**Category 1 - Second & Third year Engineering (SE & TE) students**

**Category 2 - Final Year Engineering (BE) students**

**Category 3 - M.E./ M. Tech./ Ph.D. scholars**

**Broad Areas**

Potential topics to be addressed in this paper presentation competition include, but are not limited to the following.

- Power system stability, dynamics & control
- Power system protection & relaying
- Distributed generation & micro grid operation
- Smart grid
- Power electronics & drives (Electrical)
- Power electronics in Power system
- High voltage & Insulation engineering
- Renewable energy generation
- HVDC
- Hybrid vehicle / Transport and more...

**Prizes**

- Best papers from each level will be selected by panel of evaluators derived from academics, industry and R&D organizations
- They will get cash prizes of Rs. 3000, Rs. 2100 for 1st & 2nd winners at each level respectively.

**Publication**

Selected papers will be published in special issues of Raisoni Journal of Research and IJSR Journal. All selected papers will be made available in CD proceedings and will be circulated within Raisoni group of Institutions and other academic and R & D organizations.

**Instructions for Participants**

- The IEEE journal paper format should be followed for writing and presenting paper.
- All the papers must be submitted in PDF format.
- Paper should be formatted as per the IEEE journal paper format which can be downloaded from IEEE website [http://www.ieee.org/publications_standards/publications/authors/author_templates.html](http://www.ieee.org/publications_standards/publications/authors/author_templates.html)
- All participants must send a soft copy of paper by Email: trpcs.amt@raisoni.net
- The maximum number of pages per paper is restricted to 6 pages.
- All participants are expected to give oral presentation about their paper before a panel of judges.
- Maximum three students can participate through one paper. However there is no restriction on number of papers submitted by the same students.
- The paper must be accompanied with email id and cell numbers of participants.
- All participants will be issued participation certificate from RGI Group.
- All good quality selected paper will also get certificate from IJSR Journal.
